

WASHINGTON ELEMENTARY

MAY 2019

Greetings Washington Community!

The month of May is already here, we have had a wonderful and successful school year so far and we still have several weeks left. Our third, fourth, and fifth grade students are focusing this month on the state test in math. Please make sure your child gets a good night sleep and talk to your child about going slow on the test and doing his/her best. May 6-10 will be staff appreciation week here at Washington. Please consider doing something special for your child's teacher and support staff - a simple note, flowers, or sweets will show them we appreciate all their hard work and dedication. Thank you in advance for showing your appreciation towards our fantastic Washington staff.

Thank you,

Mr. Stenlund, Principal Washington Elementary
